02 HOW TO INSTALL?

1. First, we will assemble according to the corresponding area of the letter. As shown below.

2. Insert 2 black rubber and 2 screws into the crossbar respectively, and tighter them with a hexagon spanner.

3. Insert 2 legs into the L-Shaped Tube, making sure that the adjustable holes remain in the same direction as shown in the picture.

4. As shown in the figure, insert 2 Flat Tubes into the U-Shaped Frame.

5. Insert support leg (#F) into the bottom of frame (#B) by compressing the silver button and locking it into place.

EASY TO INSTALL

NOTE:

1. The magnets sticky must be attached to the middle of the light.
2. Please put the magnetic sticky on the middle and then paste it to the storagebag or the installation position.

TIPS

Q: How do you **prevent water in the toilet from splashing** up to your butt when you make your regular deposit?

A: Place a single square of toilet paper in the center of the bowl, right where you expect your 'deposit' to fall. Then let it drop! There will be no splash.

Cleaning/Maintenance

Wipe the entire chair with a neutral detergent, then wipe with clean water, and then dry it in a ventilated place.

Prevention and warning

1. The product should not be left outside on rainy days.
2. Before sitting down, make sure all these buckles are locked in the correct position.
3. Do not hang heavy objects on either side of the armrest, otherwise the commode chair will become unstable.

180–DAY Warranty

AGRISH is warranted to be free of defects in materials and workmanship. This device was built to exacting standards and carefully inspected prior to shipment. This Warranty is an expression of our confidence in the materials and workmanship of our products and our assurance to the consumer of dependable service.

In the event of a defect covered by this warranty, we will, at our option, repair or replace the device. This warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear.

The warranty does not extend to non–durable components, such as rubber accessories, casters, and grips, which are subject to normal wear and need periodic replacement.

If you have a question about this toilet device or this warranty, please contact us.
